

# Postgraduate education

The business case — asking  
your employer for support

Governance Institute of Australia is a leading registered higher education provider with accredited postgraduate courses.

We're the only independent professional association with a sole focus on whole-of-organisation governance — best practice culture and ethics from the boardroom and beyond.

Gain the tools and knowledge to drive strong, accountable performance in your role and enhance your career in the future.

## Postgraduate education — what's in it for you?

- A deep understanding of sound practice in governance and risk management
- Apply practical governance and risk management learnings straightaway
- Learn from leading experts, industry practitioners and academics, as well as your high-calibre peers
- Expand your professional network and create life-long career contacts
- Practical tools and techniques that you can apply in your organisation straightaway
- Recognised designations — Chartered Secretary or Chartered Governance Professional
  - We're the only provider in Australia offering courses leading to these chartered designations — globally recognised marks of professional competence and credibility in the discipline of governance and risk management.

## What's in it for your organisation?

- Staff retention through investment of professional development
- Tangible expertise and comprehension of best practice governance, risk management and compliance
- Accurate and effective execution of governance and risk management responsibilities
- Improved effectiveness of business practices
- A champion of the highest standards, responsible performance and good culture
- In-house governance expertise — a reduction of expenses and reliance on external consultants — saving you money
- Reassurance for your board, management, stakeholders and customers
- Minimal impact on productivity through flexible study options.

You may also be eligible to claim tax benefits related to the course fees.
